

Alhyatt experience

Alhyatt coronary intervention team

Why we are so special?

Infrastructure is much more important than architecture.

— *Rem Koolhaas* —

The infrastructure

AZ GUOTES

There is no such thing as good enough. You, your team, and your equipment must be the best. That is how you will win victories.

— Gene Kranz —

The equipment

AZ QUOTES

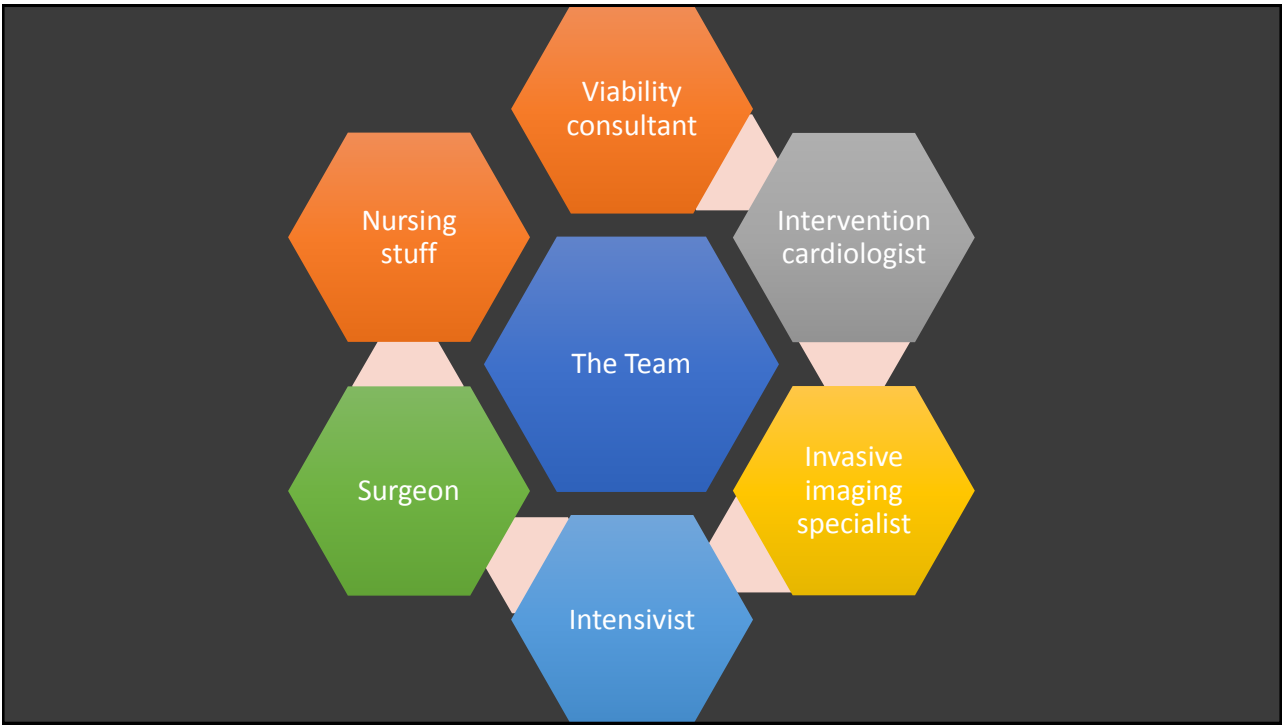

Coming together is a **beginning**,
staying together is **progress**,
and working together is **success**.

- Henry Ford

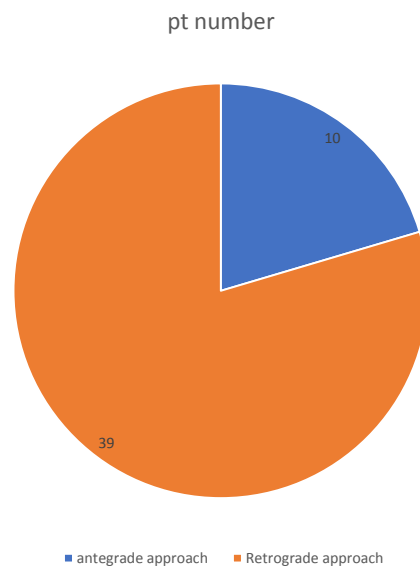

The team

Goals

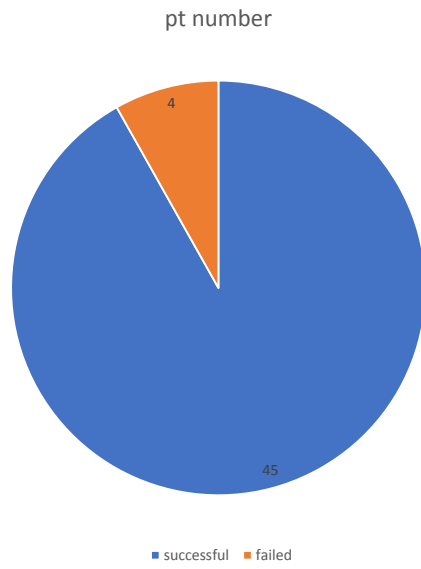

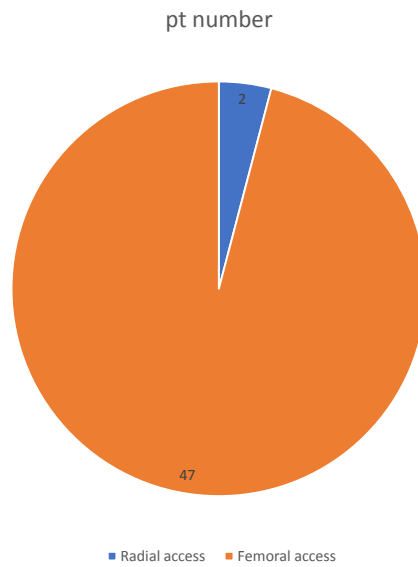

6 months
data

6 months
data

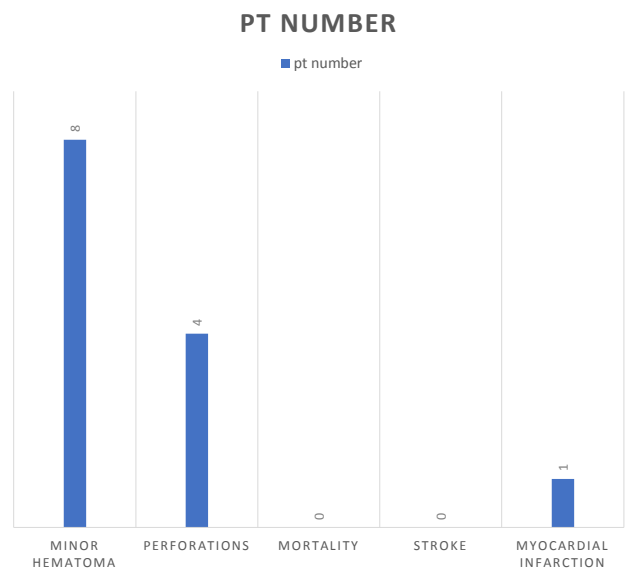

6 months
data

6 months data

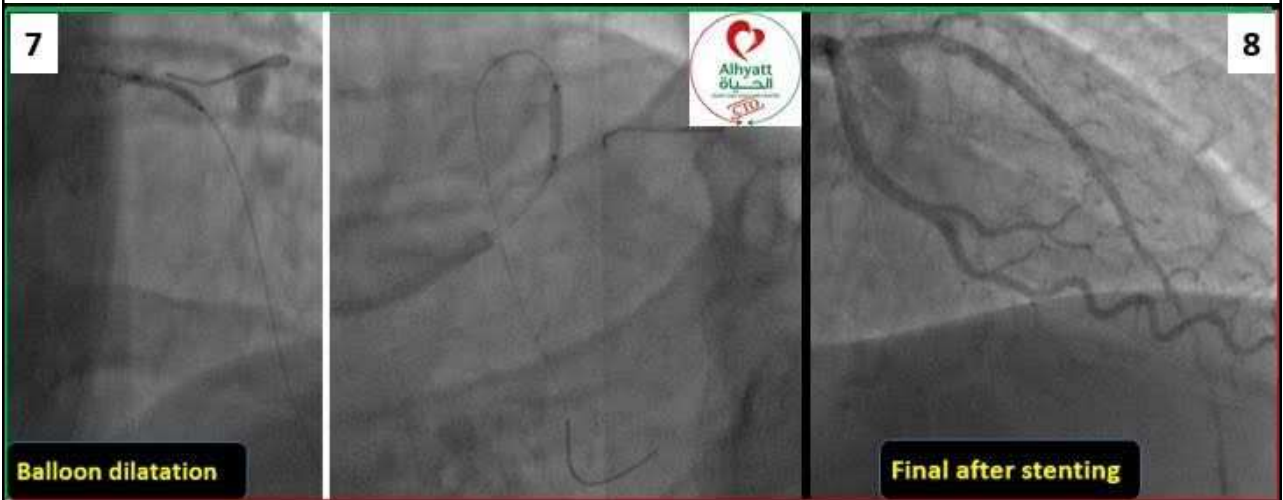

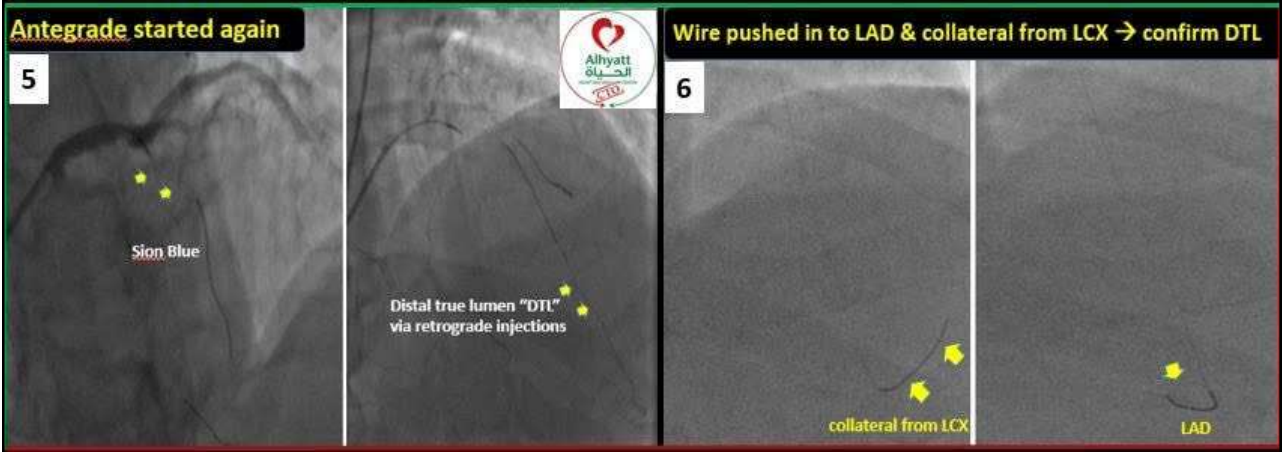

6 educational workshops
with eminent and
international mentors

6 months data

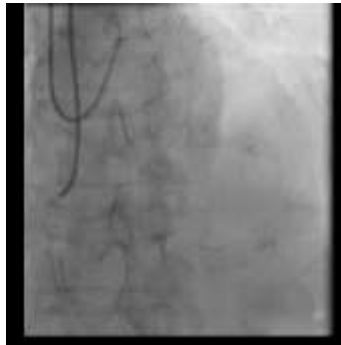

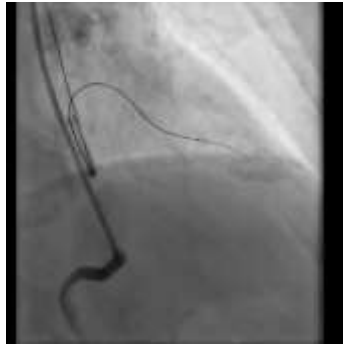

Cases

Simple antegrade

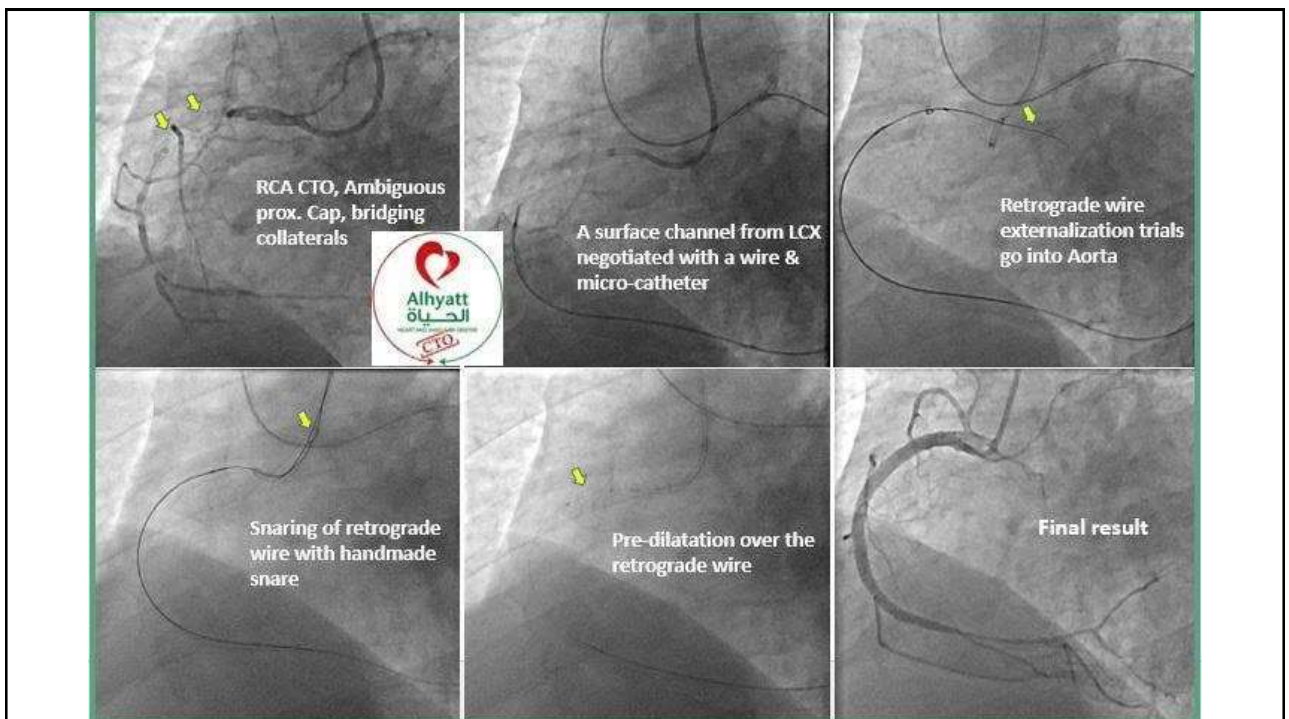

And more complex

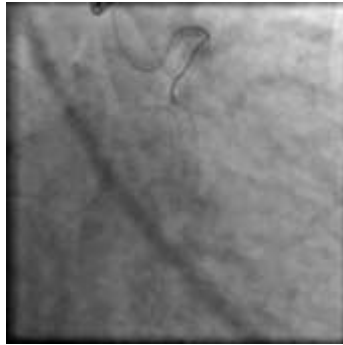

Retrograde approach

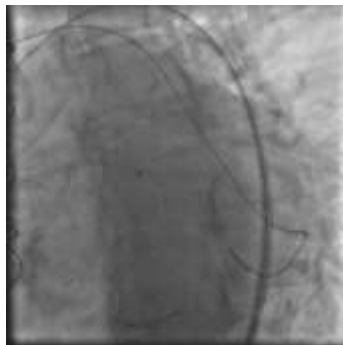

And more complex

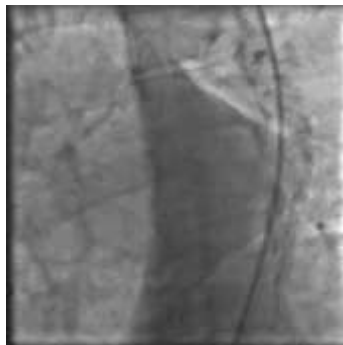

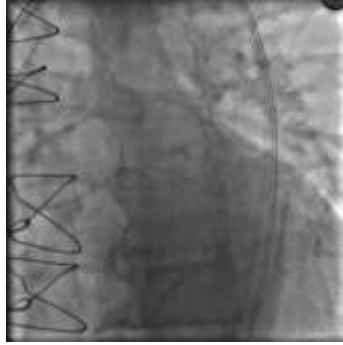

Even more complex

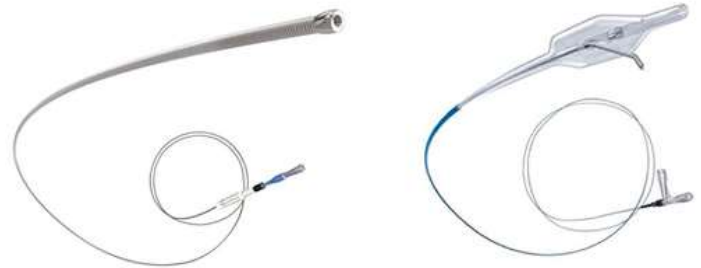

We always looks
forward

Future

Future

- Complete the profile of the hybrid technique.
- Antegrade dissection re-entry

Future

Better support

Thank you
